- 11 Which ocean does the light-bellied brent goose travel over during its migration?  
.....
- 12 Name a bird featured in this week's session whose migration takes it more East to West (and vice versa) than North to South (and vice versa)?  
.....
- 13 Do the migrations featured in this week's session take place in the northern or southern hemisphere?  
.....
- 14 Which continent do both the osprey and sand martin migrate to from the UK?  
.....
- 15 Which bird's migration covered in this week's session involves the most travel over sea?  
.....

**Round 4: Amazing migration round**

You might need to carry out a bit of research for this round! It's not just birds that migrate. All of these animals complete fantastic migrations. Can you name them from their description?

- 16 **I'm a fish.** I live in UK rivers but travel all the way back to the Sargasso Sea to lay my eggs.  
.....
- 17 **I'm a turtle.** I have the longest migration of all the sea turtles. I'm named after the appearance of my shell.  
.....
- 18 **I'm a butterfly.** I travel over 3,000km between Canada and Mexico.  
.....
- 19 **I'm a mammal that lives in the sea.** I have the longest migration of any mammal. I'm named after the shape of my back.  
.....
- 20 **I'm a bird.** I have the longest migration of any animal, travelling between the Arctic and Antarctic.  
.....
